

Filtration Solutions For Oil Refineries

Hydro Processing

Distillate, Kerosene, Naphtha, Gasoline,
Gas Oil, Diesel, Gas Oil and Jet Fuel

Reactor Feed Filters

✓ Protect Catalyst & Heat Exchangers

Hydrogen Recycle Coalescers

✓ Protect Compressors

Catalytic Conversion

Coker, Hydrocracker, FCC, Reformer,
Isomerization, Polymerization, Alkylation

Reactor Feed Filters & Coalescers

✓ Protect Catalyst & Heat Exchangers

Hydrogen Recycle Gas Coalescers

✓ Protect Compressors

Caustic & Wash Water Phase Coalescers

✓ Improve Operational Efficiency

Product Liquid Phase Coalescers

✓ Protect Heat Exchangers & Blending Operations

High Temperature Sintered Metal Filters

✓ Protect Environment from Flue Gas Emissions

✓ Recover Slurry Oil

Amine Sweetening & Regeneration

MEA, MDEA

Rich & Lean Amine Filters

✓ Prevent Fouling in Contactors & Strippers

Carbon Adsorption Filters

✓ Hydrocarbon Removal

Extractive Separations

✓ Alternative to Contact Towers

Liquid/Liquid Coalescing Separators

✓ Hydrocarbon Recovery

Rental & Pilot Filters

Liquid Filters

Gas Filter/Separators

Liquid Phase Coalescers

Dry Gas Filters

Wet Gas Coalescers

Formulation, Blending & Transfer

Custody Transfer Filters & Coalescers

Pipeline Filters

Final Blending Polishing Filters

Sulfur Recovery

SRU & Tailgas Treating

Sour Water Liquid/Liquid Coalescing Separators

Quench Water Filters

Facilities/Utilities

Rotating Equipment Intake & Oil Filters

Hydraulic Systems Circuit Filters

Power House Turbine Lube Oil Filters

Turbine NOX Injection Filters

Turbine Fuel Gas Coalescers

Turbine Seal Gas Coalescers

Turbine Control Fluid Conditioning

Water Treatment RO Membranes & Pre-Filters

Reservoir Emissions Mist Eliminators

Test Services

On-Site Field Taps Gravimetric Analysis

On-Site Fluid Analysis Basic Filterability

Fluid Sampling Particle Size Distribution

Filter Element Autopsy Performance Diagnostic

Northeast Filter & Equipment Co.

135 Parker Court

Chardon, OH 44024

**Oil Mist Eliminator
For Crankcase & Gearbox**

**Lube Oil Duplex Filters
& Transfer Valves**

**Varnish Mitigation
Systems for Lube Oil**

**Seal & Fuel Gas Filters
Gas Conditioning Skids**

**Wet Gas
Coalescers**

**Wet & Dry Gas
Filter Separators**

**Sorbent Media
Filters**

Others:

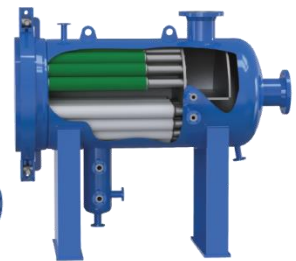

Special Certifications, Domestic Materials, etc.

**Self-Cleaning Metallic Filters
for Extreme Duty Service**

**Liquid Process
Filtration**

**Liquid/Liquid
Phase Coalescers**
