

PRODUCT LINE CARD

Liquids, Gas & Solids Separation

Gemini® – Wet Gas Filter Separators
Titan® – Dry Gas Filters
XtreamPure® – Liquid Filtration
XtreamPhase® – Liquid Phase Coalescing
XtreamSorb® – Carbon Block & PEACH
PEACH® – Filters, Separators & Coalescers
Cyclotube® – Gas Scrubbers
Boot-Sep® – Gas Filter Separators
SafeLock® – PECO Closures
Complete Line of Replacement Elements

Functional Fluids Filtration

Simplex & Duplex Filter Housings
Stationary Filtration Systems
Variety of Portable Filter Carts
Vent Mist Eliminators
Turbo-Products for Turbine Service
Saflow Disc Filter Elements
Hilsorb Moisture SuperSorbent Ctg's
Fullers Earth Canisters
Selexsorb Canisters
Ionic Resin Ctg's for Varnish & Acid
Anti-Static Filter Cartridges

Graver Technologies

Process Air & Gas Filtration

Compressed Air & Gas Filters
Coalescing Filters & Separators
Gas Conditioning Skids
Air Intake, Vacuum & Exhaust Filters
Dust Collection Filters
Meltblown Liquid Filter Cartridges
Pleated Diatomaceous Earth Cartridges
Pleated Microfiber Filter Cartridges
Pleated Membrane Filter Cartridges
High Flow Style Filter Cartridges
Sintered Metal Cartridges

Fleet Maintenance

Air Cleaners
Spin-on Oil Filters
Fuel Filters
Coolant Filters
Hydraulic Filters

Contamination Ingress Control

Desiccant Breathers
Fluid Handling Products
Fluid Storage Systems

Fine Process Filtration

Die-Cut DE/Cellulose Media
Die-Cut Carbon Pad Media
Lenticular Disc Cartridges
Filter Housings & Carts
Depth & Carbon Filter Capsules

BioScience & Water Filtration

High Purity & Chemical Process

Pleated Membrane Cartridges
Pleated Membrane Capsules
Pleated Microfiber Cartridges
Pleated Microfiber Capsules
Sanitary & Electronic Grade Housings

Automated Filtration Systems

Centrifugal Separators
Self-Cleaning Screen Strainers
Back-Flush Disc Filter Systems
Sand Media Filter Systems
Self-Cleaning Microfiber Filters

Centrifugal Separation Technologies

Two-Phase High Speed Disc Stack Centrifuges
Three-Phase High Speed Disc Stack Centrifuges
Horizontal Auger-Feed Decanter Separators
Complete Custom Turnkey Systems
Rentals & Pilot Scale Field Test Units

General Process Filtration

Compressed Air & Gas Filters
Gas Coalescing Filters & Separators
Filter Press Cloths
High Flow Style Filter Cartridges
Custom Filter Panels

Filtration & Energy Solutions

Turbine Intake Filtration

Cylindrical Air Intake Elements
Conical Air Intake Filter Elements
V-Cell, Pocket & Panel Filters
Coalescing Bag Filters
Evaporative Cooler Media

Hydraulic Filtration

Fluid Power Filtration

Pressure & Return Line Filters
High Pressure Spin-on Filters
Portable Smart Filter Carts
Vacuum Dehydration Systems
BCA Electrostatic Varnish Filters
